1. As you assess your life, would you say you are 'playing defence' or 'playing offence'? Why did you answer as you did? What evidence is there to support your answer?
2. Like peter, have you been 'following at a distance'? What needs to change in your life so that, like peter, you begin seeing and stepping into new opportunities?
3. Do you think in terms of 'church' or 'mission'? What kind of changes happen when our perspective shifts?
4. In relation to 'the position God has assigned you on the field', where are you these days? Playing your position or somewhere else?
5. God is unmistakably calling us to 'more'! What would 'more' look like in your life? What would 'more' look like in the life of our church?
