

Message Questions

King Ahaz & the people of Judah turned from the God who could save them by worshiping the gods of pagan nations. What do you think is the most common “god” or “idol” people are tempted to turn to in the 21st century?

What stands out to you about the doctrine of salvation? Either from the message or past learnings?

Tell about a season in your life where you turned from the God who could save you, or you forgot about the God who could hide you?

What was your personal take away from today's message?
