

TABULA RASA

...because everyone needs a fresh start.

MESSAGE QUESTIONS

Have you ever had a 'distinction opened up to you'? Something you barely ever saw, and then after it was brought to your attention, you saw it everywhere? What was it?

Have you made the exit from the 'big-highway' to the 'donkey-trail'? If so, what was that experience like? Have you ever looked back? What do you find most challenging?

Which of the 12 riverwood DNA strands ignited something in your heart?

What is your role in riverwood's 'tabula rasa / fresh-start' attempts? Is God stirring your heart toward any particular action?
