- 1. What song would you nominate and vote as 'worst Christmas song of all time'? Why?
- 2. Have you ever had a 'burst-the-western-Christmas-bubble' experience or awakening? Have you ever added something 'new' to your traditions and celebrations that have made them more meaningful?
  - 3. Are you more of a 'driven-by-chronos-time' (clock, date, logistics) kind of person or an 'excited-by-kiaros-time' (moments, opportunities, openings) kind of person? How could you be more 'in-the-moment' this Christmas?
  - 4. How would you explain the difference between 'Christmas-time' and 'Christ-all-the-time'?
