

MESSAGE QUESTIONS

Q1. There are stories in the Bible of the Holy Spirit speaking in profound, external ways. And then there are stories like 1 Kings 19 where He speaks in a gentle whisper.

What is your reaction to the different ways that the Holy Spirit speaks in our lives?

Why might God choose to speak in these different ways?

Q2. Various influences can impact the way we perceive the Holy Spirit's communication or lead us to mistake other voices for His. These influences include ourselves, the world, and the enemy.

Identify specific ways in which these factors affect our ability to accurately hear the Holy Spirit.

Q3. Share a personal experience where you felt the Holy Spirit's speaking to you.

How did you discern it from your own thoughts or external influences?

Q4. There can be frustration when we want to hear from God but feel like he's not speaking to us.

What should our response be when we are waiting on God to speak?
