QUESTIONS

- 1 Can you think of a time when you risked, removed a 'barrier' and became vulnerable? What was the result? What was the benefit?
- 2 Would those closest to you say that you remove barriers well or are afraid to remove barriers? Why would they say that?
- 3 What was your experience as you toured the *Hurt Museum*? What did you see and feel?
- 4 Tell us about the *Hurt Collector*! Put into your own words how and why He does what He does! Has he ever purchased a hurt from you?
