10 Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.

Galatians 6

The book of Galatians defines the household of faith that was established by God. We learn from the Apostle Paul that we receive God's salvation through faith in Jesus Christ. As a result we live in the power of grace as we walk step by step into our purpose.

Week 1: Tree of Life

Key Scriptures: *Galatians 1:1-7; Genesis 2:9, 16-17; Genesis 3:4-7*

1. Now that you understand the two different trees, discuss which tree you have been living in. What is one thing you can do daily to get in or stay in the Tree of Life?
2. Explain how, up to this point, you have approached getting closer to God. Discuss what the Holy Spirit has begun to stir in you regarding your approach.
3. Sometimes in our pursuit of God we have a tendency to try to work our way into salvation. What one step can you take this week to focus more on Jesus and less on works?

Pray

Ask the Holy Spirit to reveal to you any areas where you may be approaching Him with a religious mindset. Invite Him into those areas and ask Him to empower you to live a surrendered life, trusting that He loves you. Pray for new thought patterns to emerge as old religious habits pass away, and ask the Lord to bring life to your relationship with Him.
