

**Easter 2024**  
Resurrection Power

**Big Picture**

The resurrection power of God can impact our everyday lives. We don't have to wait until death to experience the fullness of God's life; we can encounter it right here and now on earth.

*11 The Spirit of God, who raised Jesus from the dead, lives in you. And just as God raised Christ Jesus from the dead, he will give life to your mortal bodies by this same Spirit living within you.*

**Romans 8**

**Discussion**

Not only are we saved through Christ, but we have something to live for. With a new identity, we walk through life as an example of what happens when someone is revived from spiritual death. There are several questions people ask when it comes to Salvation.

1. What's the Catch?

People make the mistake of assuming that God is asking more of them than they can pull off. When reading about the Hero's of Faith in the Bible, people think they were supernatural in their humanity.

**Read 2 Corinthians 1:8-9**

2. What do I have to do?

Believe. That is all you have to do.

**Read Luke 8:41, 49, 50 and 54**

**Read John 11:3, 25, and 43**

**Read Luke 7:12, 13, and 16**

Jesus raised the three people from the dead so that we could BELIEVE in the resurrection.

3. Is there anything that is hindering you from believing in the resurrection power of Jesus?

4. Do you struggle with accepting His salvation because you feel unworthy?

5. What areas in your life do you need His resurrection power?

### **Next Steps**

When it comes to salvation, nothing is earned, only received and Jesus didn't just save us, He has transformed us! He wants us to resurrect every area of your life. He wants you to have life more abundantly.

### **Pray**

Thank God for His salvation and His love and for you. Nothing is too dead for His resurrection power. Ask Him to revive those areas in your life that need His living power. Thank Him for His eternal salvation and that resurrection power is for today, not just during the Bible times.
