Better Neighboring p3

Big Idea

This week, Pastor Ryan brought a message of faith and hope in the face of the our chaotic and fear filled world. He focused on the power of converting our fear into faith. As 2 Corinthians 1:10 reminds us, God has delivered us, He will deliver us, and He will continue to deliver us. We make this conversion a reality in our lives is by spending time with God in prayer and worship, and by reading His Word. 2 Timothy 1:7 says, "For God has not given us a spirit of fear, but of power and of love and of a sound mind." Psalm 34:4 reminds us that God will free us from all our fears. The Bible brings us comfort, so let's be sure to get in the Word and experience God's peace.

Discussion Questions

- What fear are you facing right now? What steps can you take to begin to convert your fear to faith?
- How could a fearful attitude prevent or limit your ability to love others well?
- What are some practical ways you can help each other keep God's power, love and a sound mind your focus, rather than fear?

Prayer Focus

Father, thank You for being my Healer and Protector. Please strengthen my faith and give me spiritual and practical wisdom as I deal with the fears in my life. I trust that, as You have done in the past, You will carry me through any future uncertainty. Help me rest in the peace that only You provide.

Next Steps

Spend time reading God's Word and reaffirm your faith with Scripture, rebuking any fear that threatens the peace you have in Jesus. Read Psalm 91 out loud daily. Look for ways to help your neighbors with encouragement, faith, and generosity.

Leader Tip

Share Scriptures with your group that have helped you turn your fear to faith.
