

EASTER

Scriptures: John 20-21

OVERVIEW

This week we celebrated the resurrection of Jesus. According to God's Word, He conquered death and gave us life and immortality. Take a look at the scriptures highlighted below and spend some time answering the questions together.

Read together: John 20- 21

DISCUSSION

1. After hearing the message this week, what new insight stood out to you?
2. Take a few minutes to compare the gospel accounts of Jesus' resurrection. Begin with John 20: 1-8. Then examine these passages:
 - Matthew 28:1-10
 - Mark 16:1-11
 - Luke 24:1-12
3. If you could choose who Jesus appeared to first after His resurrection, who would it be and why?
4. Pastor Ryan shared three separate appearances from the gospel of John 20-21. Mary, who was hurting. Thomas, who was doubting. Peter, who was disappointed. Can you relate to any of these? How did you overcome these moments and how did your faith grow?
5. Conclude your time together by sharing your testimony. When, where and how did you put your faith and life in Jesus?
