SERMON NOTES

Spiritual Disciplines — Service

I. The Meaning of Service

- The Hebrew word "**Avodah**" is unique because it combines three English concepts: _____, _____, **and** _____.
- In God's eyes, there is no distinction between service performed at _____ and service performed at your _____.

II. The Concept of "Tzimtzum"

- **The Theological Problem:** If God is omnipresent (filling all space and time), how can _____ _____ _____?
- **The Solution:** God, out of love, "_____". His infinite light to create a "_____ _____" where the finite world could emerge.
- **For Us:** Service is a miniature version of this act. We must "_____ " our own wants and desires to make room for our _____ to be seen, heard, and served.

III. The Ultimate Example: John 13

- The task of washing feet was so degrading it was usually reserved exclusively for _____ _____.
- He used a _____ (Greek: lention), which was historically the long linen apron worn by _____ _____ and _____ _____.
- By laying aside the "_____ of the _____" to put on the "_____ of the _____," Jesus performed the ultimate act of self-contraction (Tzimtzum).

IV. Servant Leadership

- Service is not meant to be a "_____ _____".
- By doing everything himself, _____ was doing a disservice to the people by preventing them from growing into their own _____.
- The key question for servant leaders is: "How effectively can I get the _____ to _____ _____?"

V. Reflection

- Instead of asking "What can I do for God?", we should ask: "Where can I _____ _____ _____ today so that God has a place to _____ _____ _____?"

Please fill out an attendance card and pass it to the end of the aisle.
