

## **Life Group Discussion Guide**

**7/10/22 – 7/16/22**

**Acts 8:26-40**

1. Have you ever had the opportunity to lead someone to Jesus personally? How have you typically responded to situations when you could share the gospel with someone...even if they are a complete stranger?
2. What stood out the most within the sermon, “Leading People to Jesus...With Power” from this last Sunday at Life Church?
3. Read Acts 8:26-40. Even though we may not always receive instruction from an angel, how does God lead you to tell others about Jesus?
4. Does the thought of initiating conversations about Jesus with others excite you or frighten you...or something else? Talk about your answers.
5. Talk about the idea of prevenient grace (God working on things before the meeting). How do you see God having prepared you for witnessing? How does he prepare the lost and seeking?
6. Pray for opportunity and Holy Spirit power to witness and be effective this week.
