I will also gather all nations,

And bring them down to the Valley of Jehoshaphat;

And I will enter into judgment with them there

On account of My people, My heritage Israel,

Whom they have scattered among the nations;

They have also divided up My land.

2 Tim. 3:1-7 — Lovers of themselves, money, pleasure

2 Timothy 3:1-7 New King James Version

Perilous Times and Perilous Men

3 But know this, that in the last days [a]perilous times will come: 2 For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 unloving, [b]unforgiving, slanderers, without self-control, brutal, despisers of good,

2 Timothy 3:1-7 New King James Version

4 traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, 5 having a form of godliness but denying its power. And from such people turn away! 6 For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts, 7 always learning and never able to come to the knowledge of the truth.

A New Identity and Financial Network

Introducing Worldcoin

Worldcoin was founded with the mission of creating a globally-inclusive identity and financial network, owned by the majority of humanity. If successful, Worldcoin could considerably increase economic opportunity, scale a reliable solution for distinguishing humans from AI online while preserving privacy, enable global democratic processes, and show a potential path to AI-funded UBI.

Worldcoin consists of a privacy-preserving digital identity network (World ID) built on proof of personhood and, where laws allow, a digital currency (WLD). Every human is eligible for a share of WLD simply for being human. World ID and WLD are currently complemented by World App, the first frontend to World ID and the Worldcoin Protocol, developed by the contributor team at [Tools for Humanity](#) (TFH).

“Proof of personhood” is one of the core ideas behind Worldcoin, and refers to establishing an individual is both human and unique. Once established, it gives the individual the ability to assert they are a real person and different from another real person, without having to reveal their real-world identity.
