Daniel 2:32-35 English Standard Version

32 The head of this image was of fine gold, its chest and arms of silver, its middle and thighs of bronze, **33** its legs of iron, its feet partly of iron and partly of clay. **34** As you looked, a stone was cut out by no human hand, and it struck the image on its feet of iron and clay, and broke them in pieces.

Daniel 2:32-35 English Standard Version

35 Then the iron, the clay, the bronze, the silver, and the gold, all together were broken in pieces, and became like the chaff of the summer threshing floors; and the wind carried them away, so that not a trace of them could be found. **But the stone that struck the image became a great mountain and filled the whole earth.**

Daniel 7:3-7 New King James Version

3 And four great beasts came up from the sea, each different from the other. 4 The first was like a lion, and had eagle's wings. I watched till its wings were plucked off; and it was lifted up from the earth and made to stand on two feet like a man, and a man's heart was given to it.

Daniel 7:3-7 New King James Version

5 “And suddenly another beast, a second, like a bear. It was raised up on one side, and had three ribs in its mouth between its teeth. And they said thus to it: ‘Arise, devour much flesh!’

6 “After this I looked, and there was another, like a leopard, which had on its back four wings of a bird. The beast also had four heads, and dominion was given to it.

Daniel 7:3-7 New King James Version

7 “After this I saw in the night visions, and behold, a fourth beast, dreadful and terrible, exceedingly strong. It had huge iron teeth; it was devouring, breaking in pieces, and trampling the residue with its feet. It was different from all the beasts that were before it, and it had ten horns.

Lucis Trust is the Publishing House which prints and disseminates United Nations (UN) material. Lucis Trust was established in 1922 as Lucifer Trust by Alice Bailey as the publishing company to disseminate the books of Bailey and Madame Blavatsky and the Theosophical Society. Due to public outrage over the creepy name of the publishing company, it was changed one year later to Lucis Trust. It is a devastating indictment of the New Age and Pagan nature of the United nations (UN).

The Esoteric Meaning of Lucifer

There are comments on the World Wide Web claiming that the Lucis Trust was once called the Lucifer Trust. Such was never the case. However, for a brief period of two or three years in the early 1920's, when Alice and Foster Bailey were beginning to publish the books published under her name, they named their fledgling publishing company "Lucifer Publishing Company". By 1925 the name was changed to Lucis Publishing Company and has remained so ever since. Both "Lucifer" and "Lucis" come from the same word root, *lucis* being the Latin generative case meaning *of light*. The Baileys' reasons for choosing the original name are not known to us, but we can only surmise that they, like the great teacher H.P. Blavatsky, for whom they had enormous respect, sought to elicit a deeper understanding of the sacrifice made by Lucifer. Alice and Foster Bailey were serious students and teachers of Theosophy, a spiritual tradition which views Lucifer as one of the solar Angels, those advanced Beings Who Theosophy says descended (thus "the fall") from Venus to our planet eons ago to bring the principle of mind to what was then animal-man. In the theosophical perspective, the descent of these solar Angels was not a fall into sin or disgrace but rather an act of great sacrifice, as is suggested in the name "Lucifer" which means *light-bearer*.

THE COMING ONE

When people feel that they have exhausted all their own resources and have come to an end of all their own innate possibilities and that the problems and conditions confronting them are beyond their solving or handling, they are apt to look for a divine Intermediary and for the Mediator Who will plead their cause with God and bring about a rescue. They look for a Saviour. This doctrine of Mediators, of Messiahs, of Christs and of Avatars can be found running like a golden thread through all the world faiths and Scriptures and, relating these world Scriptures to some central source of emanation, they are found in rich abundance everywhere. Even the human soul is regarded as an intermediary between man and God; Christ is believed by countless millions to act as the divine mediator between humanity and divinity.

WAKE UP!

"We shall see what is called symbolically 'the birth of the Christ,' or the second birth, taking place in many lives, producing on earth a large group of the spiritually new-born. They will be those who have brought together, consciously and within themselves, the two aspects of soul and body. (Esoteric Psychology, Vol. I, p. 313)

INCREASINGLY as this Aquarian Age dawns, we are becoming aware of the intimate relationship existing between the individual, the planetary and the cosmic Christ Consciousness. We are recognizing that the "*chitta*" or "mind stuff," as the Eastern knowers refer to it, to which our own minds are related and of which our mental bodies are an integral part, is also part of the mind of the cosmic Christ, of Whom the historical Christ is—upon our planet—the highest embodiment.

Why should this be so? And, isn't it blasphemous to refer to the individual indwelling Christ consciousness? The Age of Aquarius promises to be the Age of Brotherhood, the Age in which the law of Love reigns supreme. What is this law of Love but the expression of the Christ consciousness—the second aspect of divinity born of Life and form?

Christos—the Greek word from which the term Christ is derived—is an archaic term that was applied to every Initiate of a certain degree within the Mystery Temples of old. St. Paul, echoing the Gnostic belief in the saving grace of the indwelling spiritual essence, also referred to "*Christ in you, the hope of glory.*" And, Clement of Alexandria, who died about the year 215 A.D., refers to *Christos* as "the WAY," the glorified Spirit of Truth and the reunion which makes the soul (the Son) One with the (Father) Spirit.

THE GREAT INVOCATION

From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men –
The purpose which the Masters know and serve.

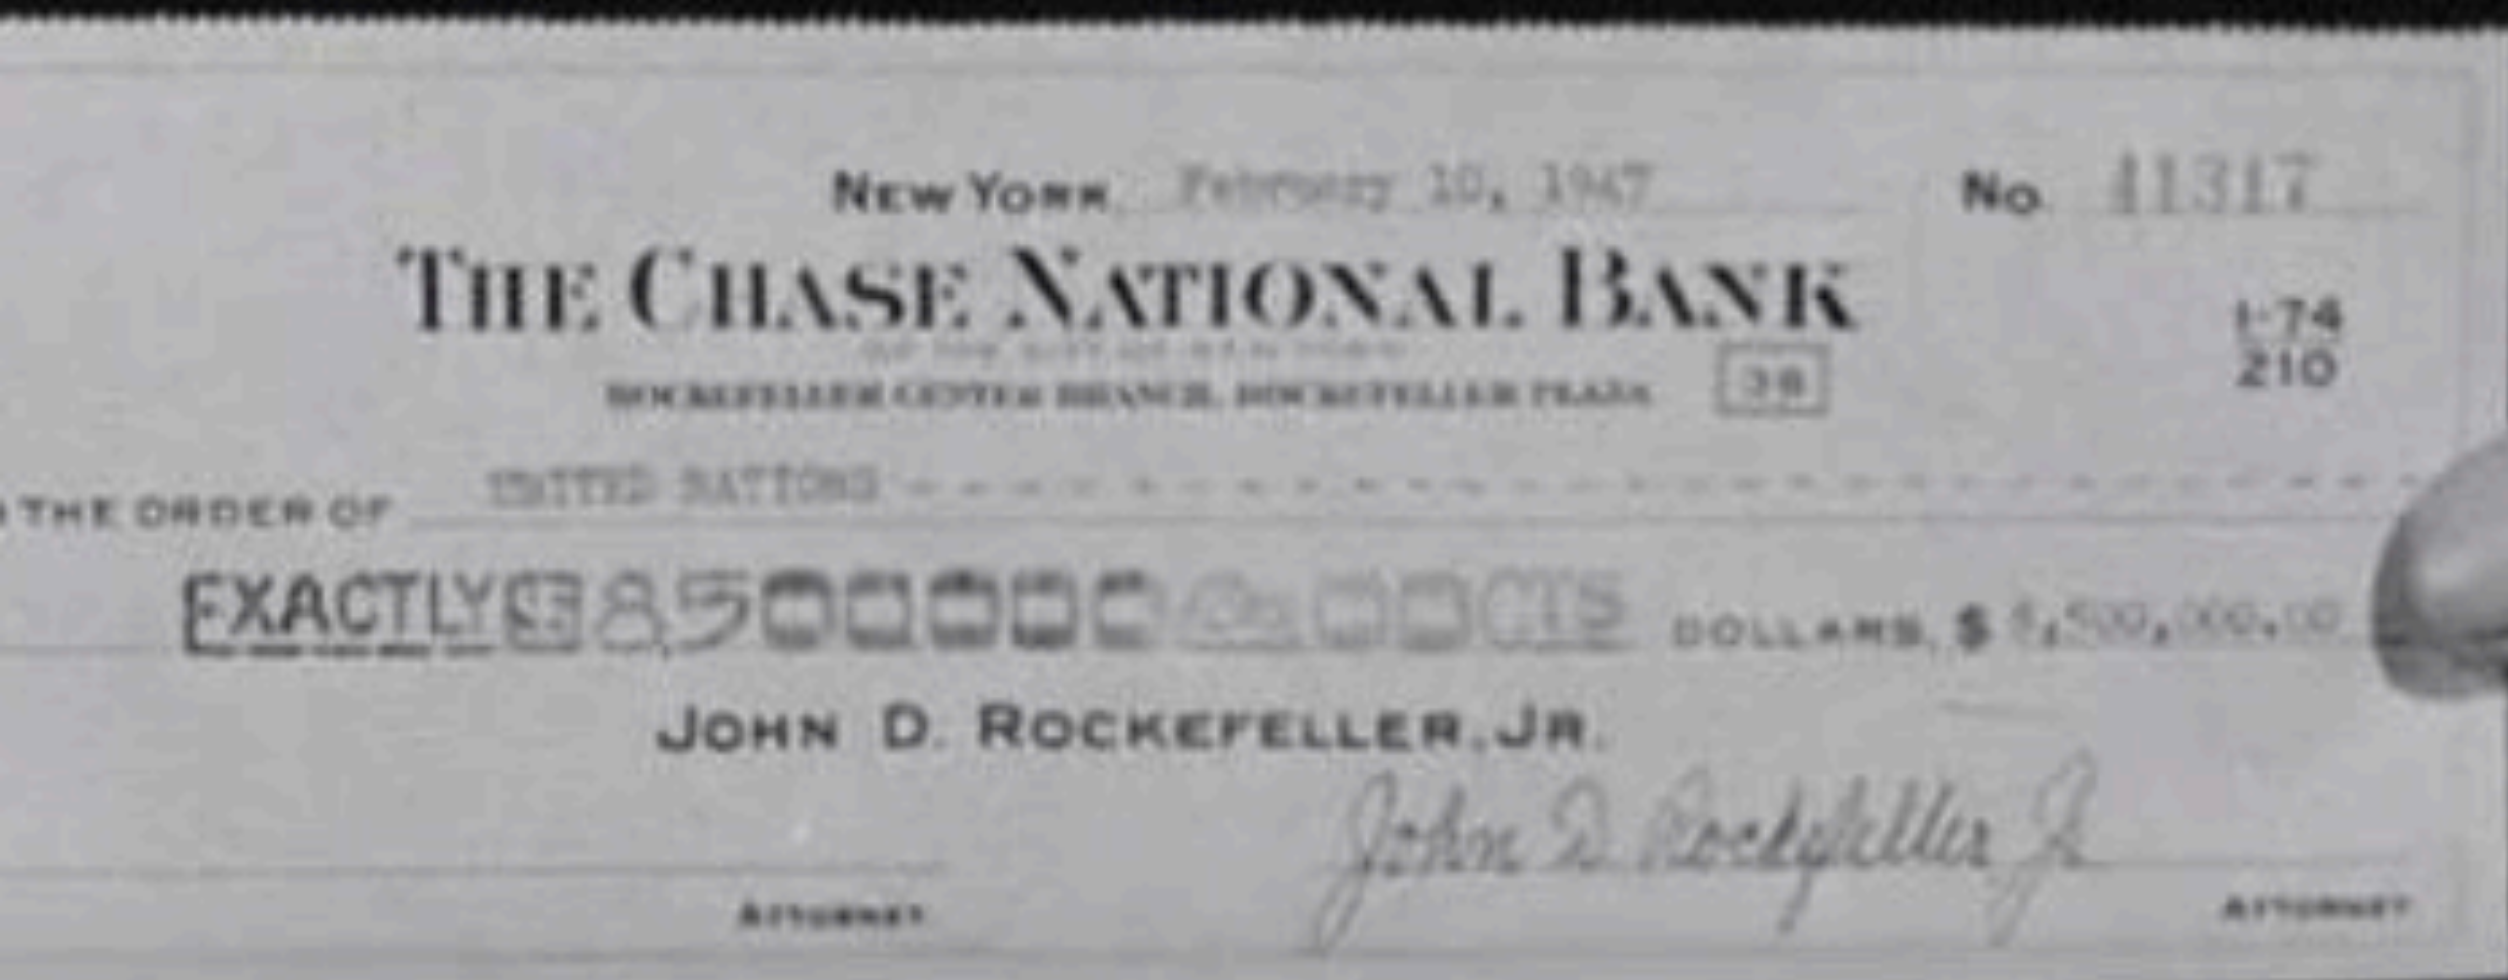

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

This Invocation or Prayer does not belong to any person or group, but to all Humanity. The beauty and the strength of this Invocation lies in its simplicity, and in its expression of certain central truths which all people, innately and normally, accept – the truth of the existence of a basic Intelligence to Whom we vaguely give the name of God; the truth that behind all outer seeming, the motivating power of the universe is Love; the truth that a great Individuality came to earth, called by Christians, the Christ, and embodied that love so that we could understand; the truth that both love and intelligence are effects of what is called the Will of God; and finally the self-evident truth that only through *humanity* itself can the Divine Plan work out.

Alice Bailey

NOTE: In some translations of the Great Invocation the name by which the Coming One is known in different religions is used, e.g. the Lord Maitreya, Krishna, the Imam Mahdi or the Messiah.

When asked by Britain's Independent newspaper to elaborate on that passage, Soros said, "It is a sort of disease when you consider yourself some kind of god, the creator of everything, but I feel comfortable about it now since I began to live it out."

Crime has exploded under Krasner's pro-criminal policies. Murders are up 63%. Shootings are up 78%.

>>> [Four Reasons for the Crime Increase](#)

At the end of 2021, when confronted with the spike in murders and shootings (among other crimes), Krasner said, "We don't have a crisis of lawlessness, we don't have a crisis of crime, we don't have a crisis of violence."

Michael Nutter, the former mayor of Philadelphia, called Krasner's comments, "Some of the worst, most ignorant, and most insulting comments I have ever heard spoken by an elected official." Writing in the Philadelphia Inquirer, Nutter said that Krasner owes an apology to the 521 families of Philadelphia's homicide victims.

Krasner fired 31 career homicide and violent crime prosecutors immediately upon taking office. He replaced them with public defenders and defense-oriented criminal attorneys and ordered them to decline to prosecute most drug cases, charge lower gradations of crimes, offer sweetheart plea deals, require shorter probation and parole periods, and more. Sound familiar?

The rogue prosecutor movement is dangerous, well-funded, and systematically destroying America's communities. When these progressive zealots take office, everyone loses, except the criminals.

The Club of Rome was created to address the multiple crises facing humanity and the planet. Drawing on the unique, collective know-how of our 100 members – notable scientists, economists, business leaders and former politicians – we seek to define comprehensive solutions to the complex, interconnected challenges of our world.

Decades of exponential consumption and population growth have come to imperil the earth's climate and life-supporting systems, while reinforcing social and economic inequalities and impoverishing billions globally.

As a network of thought leaders from a rich diversity of expertise, our members are committed to facilitating the difficult conversations and the bold actions required to confront the planetary emergency facing humanity and our common home. Our goal is to actively advocate for paradigm and systems shifts which will enable society to emerge from our current crises, by promoting a new way of being human, within a more resilient biosphere.

Drawing on thorough scientific analysis, the Club of Rome makes holistic proposals to address these immense, interconnected problems. It does so through research, concrete policy proposals and the convening of high-level meetings, debates, conferences, lectures and other events.

It also publishes a limited number of peer-reviewed "Reports to the Club of Rome". Its seminal, best-selling 1972 report, *The Limits to Growth*, alerted the world to the consequences of the interactions between human systems and the health of our planet. Since then, more than 45 Reports have reinforced and expanded that intellectual foundation.

To facilitate safe free movement during the COVID-19 pandemic, the European Union established the EU Digital COVID Certificate.

In June 2023, the World Health Organization (WHO) will take up the EU system of digital COVID-19 certification to establish a global system that will help protect citizens across the world from on-going and future health threats, including pandemics.

A strong tool for the reopening of our economies and societies

The EU Digital COVID certificate has been a crucial element in Europe's response to the COVID-19 pandemic, with more than 2.3 billion certificates issued.
