Hi Sway Parents and Friends! We're starting a new series on the Elijah in the Old Testament this week called Amazed! In this week's Bible story, we heard about how God took care of Elijah, and how He did it in a very unusual way. Our big idea of the week is "It's Amazing! God takes care of me." We read in 1 Kings 17 how there was no food or water in the land, but God took care of Elijah. God provided water for Elijah at a brook; and He sent ravens to provide food. When Elijah encounters a widow with only enough food for one last meal for herself and her son, Elijah assured her that her jar of flour and oil would not run out until God sent the rain again. Not only did God take care of Elijah, but God also took care of the widow and the son. There was food every day for Elijah, the widow, and her son. It was amazing! One day, the woman's son got sick and died. It was very sad, but Elijah prayed to God, and do you know what? God took care of the boy, and the boy was alive again! What an amazing way God took care of Elijah! And God takes care of us, too.

Plug-in with your child this week, and go over our memory verse for this series, Deut 7:21. “The Lord Your God who is with you, He is a great and awesome God.” We hope you review and use the resources made available to you to continue to help your child grow at home this week. Help them learn that **it really is amazing how God takes care of us**. That’s it, friends. Have a blessed week. See you next time!
