## DISCUSSION QUESTIONS

1. If you were to write a book, what would the title/topic be?
2. What is the job description of a prophet and the purpose of Jeremiah's "Book" (vv. 1-3)?
3. Read vv. 4-7. How is the prophecy of Jeremiah "inspired" differently than other books or histories of his day (or, for today)?
4. What do you think it means to "turn from (our) wicked ways" (vv. 3;7)? Why is repentance important for our relationship with God?
5. Read Deuteronomy 7:7-11 and 9:4-8. How does God's covenant promise give us reassurance in our faith journey?
6. List the positive responses to God's Word in vv. 14-16. What are some of the most practical ways that you can draw near to God's heart through His Word?
7. Note the desired outcome(s) of applying God's inspired Word from 2 Timothy 3:16-18.
8. What was the goal of gaining a hearing from the King regarding Jeremiah's prophecy (vv. 20-32)?
9. Why do you think the king responds by burning the scroll (vv. 22,23)?
10. What are the results of ignoring/denying the Bible's authority in our world or our lives?
11. What needs to change to be a "hearer and doer" of God's Word in my life?
