# Enough is Never Enough

*November 8th, 2026*
*Preached by Sean Tavakoli*
*Prepared by Isaac Long*

## OPENING QUESTION

Have you ever really wanted something, finally got it, and then realized it didn't satisfy you the way you thought it would? What was that experience like?

## SCRIPTURE READINGS

Luke 15:11-32

## KEY TAKE AWAY(S)

- What we reach for reveals what we believe will satisfy us.
- God's gifts were never meant to replace God Himself.
- The Father responds with grace & generosity to both the one who runs away and the one who stays but is still far from him.

## QUESTIONS

1. Which son do you relate to more right now — the younger son who ran for what he wanted, or the older son who stayed but became resentful? Why?
2. Where have you seen comparison or resentment keep you from recognizing God's goodness in your own life?
3. What is already "in your hand" that God may be asking you to notice, appreciate, or steward more faithfully?

## PRACTICE

**Name it, See it, Reach for Him**

Set aside 5 minutes of quiet (maybe worship music playing) to write down two things:

Name it: something you've been reaching for to satisfy you besides God

See it: Something God has already placed in your hand that you may have stopped noticing or appreciating.

**Going forward**

Each day this week, take a moment to ask yourself:

What have I been delighting in today?

Then pray asking God to help you delight in Him above everything else.

Post in your group text chat each day one thing that you are grateful for that God has already placed in your life!

## CLOSING PRAYER

Father, help us to recognize the things we've been reaching for that can never truly satisfy us. Teach us to delight in You above Your gifts, and to see with gratitude what You have already placed in our hands. Thank you for meeting us with grace & generosity, whether we have run away or stayed close but grown resentful. We love you Lord.
Amen
