Getting Ready For The Move of God

June 15, 2025

1 Chronicles 12:23-40 NLT

23 “These are the numbers of armed warriors who joined David at Hebron. They were all eager to see David become king instead of Saul, just as the Lord had promised.

24 From the tribe of Judah, there were 6,800 warriors armed with shields and spears.

25 From the tribe of Simeon, there were 7,100 brave warriors.

26 From the tribe of Levi, there were 4,600 warriors.

27 This included Jehoiada, leader of the family of Aaron, who had 3,700 under his command.

28 This also included Zadok, a brave young warrior, with 22 members of his family who were all officers.

29 From the tribe of Benjamin, Saul’s relatives, there were 3,000 warriors. Most of the men from Benjamin had remained loyal to Saul until this time.

30 From the tribe of Ephraim, there were 20,800 brave warriors, each highly respected in his own clan.

31 From the half-tribe of Manasseh west of the Jordan, 18,000 men were designated by name to help David become king.

32 From the tribe of Issachar, there were 200 leaders of the tribe with their relatives. All these men understood the signs of the times and knew the best course for Israel to take.

33 From the tribe of Zebulun, there were 50,000 skilled warriors. They were fully armed and prepared for battle and completely loyal to David.

34 From the tribe of Naphtali, there were 1,000 officers and 37,000 warriors armed with shields and spears.

35 From the tribe of Dan, there were 28,600 warriors, all prepared for battle.

36 From the tribe of Asher, there were 40,000 trained warriors, all prepared for battle.

37 From the east side of the Jordan River—where the tribes of Reuben and Gad and the half-tribe of Manasseh lived—there were 120,000 troops armed with every kind of weapon.

38 All these men came in battle array to Hebron with the single purpose of making David the king over all Israel. In

fact, everyone in Israel agreed that David should be their king.”

39 “They feasted and drank with David for three days, for preparations had been made by their relatives for their arrival.

40 And people from as far away as Issachar, Zebulun, and Naphtali brought food on donkeys, camels, mules, and oxen. Vast supplies of flour, fig cakes, clusters of raisins, wine, olive oil, cattle, sheep, and goats were brought to the celebration. There was great joy throughout the land of Israel.”

There’s a bigger picture within the context of this prophetic and kingdom narrative, that has a few thematic twists and turns within it. If you stay with me in this journey, you could leave here with a directive, deliverance and a doubtless definitive regarding the purpose and process of God’s plan and promises. Because many of you have not committed yourselves to become on the ground disciples of Christ, determined to be a vessel and voice for God in these end times seasons. Yashua is coming back not as a merciful messiah but as a ruling judge to eternally judge the earth and reign in the New City Jerusalem as King. Church attendance without embracing the Most High’s kingdom attitude, agenda and action, will not give you the eternal life you said you got saved to inherit. This white-washed Christian agenda of stolen identity, manipulated colonization and distorted views of the scriptures to benefit a racist agenda, is being exposed. There’s so much geographical gutting and the

disproportionate debauchery of God's chosen people that is being unmasked throughout the continents of the world. As an end times voice, I do not have the luxury to remain oblivious to the obvious obedience that will expose the years of oppressive intent, that God has unveiled to me. So please Bethel, join me in the journey to the life that God had purposed for us since the creation of the world. I didn't choose this discourse at this age of my life, but I was chosen for it before the time of my natural birth. I am not trying to create a color or cultural conflict, I am called to correct what has not been a universal mistake but rather a universal plot of manipulated intention that has to be exposed.

There's a generational payback that's coming and over the next 18 months you will see for yourselves the truth that has made us free!!

The Biblical Narrative: A Kingdom Transition Ordained by God. Saul who had been king had lost the anointing as it was stripped from him by the Prophet Samuel who was acting in behalf of God. David was anointed King at 15 but did not take the throne until 15 years later at the age of 30. He could've killed Saul on other occasions but he waited until the appointed time. Knowing the time you are to do something is more important than knowing what to do because you can't do it until it's time. 2 Samuel 5: 1-5. He reigned for 40 years as King

If God has chosen you for a Season and other Specific Reasons, other spiritually minded people will sense it and avail themselves to you. The Anointing Attracts, however the anointed must never forget that they're not the value of the draw, only the vessel that God has chosen to demonstrate His power, purpose and plan through.

1 Chronicles 12:18 NIV

“Then the Spirit came on Amasai, chief of the Thirty, and he said: “We are yours, David! We are with you, son of Jesse! Success, success to you, and success to those who help you, for your God will help you.” So David received them and made them leaders of his raiding bands.”

Introduction: Weather Alert: Knowing the seasons and times of the region that you are assigned to.

If you don't know who you are, where you are, why you are, then you lack the ability to occupy effectively as Kingdom of God citizens, living in an earthly space and environment. As believers, we can't be living in conservative ease, when we are actually in a time of war.

32 From the tribe of Issachar, there were 200 leaders of the tribe with their relatives. All these men understood the signs of the times and knew the best course for Israel to take.

“Understanding the environment helps to execute the proper response and reaction.”

The Sons of Issachar, as a result of their knowledge and judgment, provided help to the cause by making the decisions for the nation. Leaders today must know what's happening in society in order to plan the best course of action for the church. Knowledge of current events, trends and needs, helps us to understand people's thoughts and attitudes. This gives leadership information to help them make wise decisions for the church and make God's message relevant to people's lives.

The time and season principles of Ecclesiastes 3:1-22- Read it later.

4 Celestial and Seasonal Moves by the Most High God

In the natural sense of created seasonal things, there is Winter, Spring, Summer and Fall, all climate and seasonal transitions. In some cases there are the universal change of seasons, but not necessarily the universal change of weather. Remember the weather doesn't dictate the season, God does. In the spiritual realm, I have discovered through discernment and spiritual insight that, whenever transition happens, in happens in these 4 stages.

The Shift- God shakes things up, and start shuffling things around.

The Sift- God sorts things out, creating structure and organization so that you can better digest and understand the depth of what you are about to deal with.

The Lift- God snatches everything from you that you thought you needed, but didn't know or realize that you didn't. Besides, He knew that if He didn't snatch it, you'd still be holding on to it.

The Gift: God stamps the seal of His grace upon you, as an empowerment for you to function without the blockage or hindrances of unidentified flying objects.

“Nothing shall prevail against you, you are postured to win every fight and every war.”

The Evolution of the End Time Reformation:

Every reformation mandates a transformation, where spiritual shifting is necessary. This is the movement of God in your life, to pull you away from the strongholds that have held you in a grid lock of bondage. God is moving you from that which has imprisoned you to a life not meant for you to live. There is a discipline that is necessary in order for you to develop and mature spiritually into an unrecognizable force.

Step 1: Let go of past wounds by forgiving everything and everyone who hurt you. Stop nursing old wounds, as a need of comfort for the revenge or apology you never received

from folk who hurt you. **(All of us have had some of those experiences, but they must never become our excuse or escape).**

Molestations, Racial Discrimination, Social Injustice, Economic disparity that have robbed you of the prosperity that God purposed for your life. Relationship neglect and abuse that left you doubting the sexuality that God gave you at birth, and instead of following God's design for your life you listened to the world that told you to follow your truth instead of following God's Truth. I know this stuff hurts, but I need you to know my heart, and I am not assigned to you to bring you hurt but to lead you to a place of divine healing and truth according to God's word. I am assigned to help us heal from the lies and lust of our flesh which will mislead you. Can we be perfect on this earth, no but we can be made whole by walking in the fullness of God's power.

“In order to live, you're going to have to forgive so you can heal.”

Forgiveness doesn't mean that you forget everything that happened to you. What it does mean, is that you release the need for retribution. When you forgive, you allow grace to flow in areas where you once felt pain. It is you saying that you feel no need to payback those who hurt you, nor for your offenders to have to pay up. It symbolizes that you have moved on and beyond the pain that was inflicted upon you unjustifiably.

“Forgiveness is not just the gift and grace you give to others, but its the gift and grace you receive for yourself.”

Take control of your life by giving up the need to control the lives of others, just for the sake of the comfort of your own personal insecurities. Move on so that you can move forward and upward.

The Woman with the issue of blood. Her faith got her healed but the power from the Lord’s anointing made her whole.

Many of you have been healed from the issue, but you haven’t been made whole in your mind, body and spirit. Today I offer you freedom through Christ.

So let’s check the weather while you ponder over making the decision to let go.

Here’s what the Weather Calls for:

1. Awakening- Conscious clarity that make things obvious and not oblivious.

Wake up from your dream and start realizing that your destiny awaits you.

“Your destiny is God’s divine intent for the outcome of your life as determined by both your purpose and your process.”

Peter was in prison and awakened by an Angel - Acts 12

2. Awareness- Knowing truth through the power of spiritual illumination and revelation knowledge in the word of God.

Matthew 16:16

3. Alignment- Adjusting yourself into a divine framework, that connects you the character of God. There can be no interaction or influences of idolatrous intermingling when we align ourselves with Yashua and the Most High God.

- **Disruption is the first step towards alignment.**

(Go back and listen to the message for more information here)

4. Alteration- Wardrobe adjustments, tailored to fit.

How you carry yourself as a christian disciple, will determine how far you are able to go as a christian disciple.

The daily wardrobe of the believer is found in Galatians 5:19-20. The wardrobe for war is found in Ephesians 6:10-18.

“You have to make alterations to avoid procrastinated delays and perpetuated demonic difficulties”

6. Advancement- Upward movement designed to create forward progress.

- 1. Enlightened Theological View:** Fruitful biblical understanding.
- 2. Empowered and Elevated Spiritual Thinking:** Faithful Focusing that develops a mind of Christ
- 3. Eager and Enthusiastic Personal Spiritual Thrust:** Forward motion with anticipated joy and excitement.
- 4. Endgame that says, I Finished and I Thrived as a result.**

Note: Going back and listening to the message will give you further understanding.
