# PULL UP A CHAIR

According to the Bureau of Labor Statistics in 2014, more than half of the adult population in America is single. Whether unmarried, divorced, or widowed, more and more adults are navigating singleness in a culture that has historically pressured them to get married.

## READ: 1 CORINTHIANS 6:12 -7:16

1. These verses give principles and practices regarding singleness, marriage, and sexual purity. Circle keywords or phrases related to the single chair. Now write a list of resolutions and boundaries for being single and list them below:
