FAITH

TURNING FEAR INTO FAITH

CURRENT MESSAGE SERIES

Life is full of scary things. The fear to lose control, sickness, or death can be all encompassing when we find ourselves in the midst of those storms. But what if the greatest sources of our fears were replaced with a faith in Jesus that calmed our anxieties? Three stories in the book of Luke share stories of Jesus where fear and faith collide that challenge us with this truth: The areas of your life where you have the least fear is where you trust God the most.

LUKE 8:25

25 *"Where is your faith?" he asked his disciples.
In fear and amazement they asked one another, "Who is this? He
commands even the winds and the water, and they obey him."*
