REASONS^{to}BELIEVE

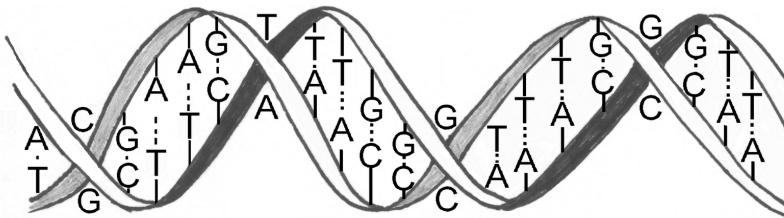

Question: Does the microscope show that life came about by Natural Causes or Intelligent Design?

Evidence for Intelligent Design

- No message to message: Codes
- No order to order : Programs
- No function to functional : Function

If we find a system that uses code to create a program with processes that produces materials with a helpful function.

Codes: DNA

“DNA is like a computer program, but far, far more advanced than any software ever created.”

Bill Gates, The Road Ahead

Programs: Epigenetics

Genetic factors on top of the DNA code that determines its expression without altering the genetic code.

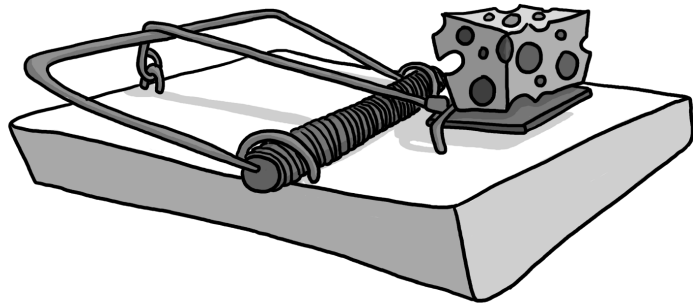

“What I think the DNA has shown, by the almost unbelievable complexity of the arrangements which are needed to produce life, is that intelligence must have been involved.”

Antony Flew, There is a God

Function: Irreducible Complexity

The argument that many biological systems have so many complex inter-dependencies that removing just one component causes the entire system to fail.

“If it could be demonstrated that any complex organ existed which could not possibly have been formed by numerous, successive, slight modifications, then my theory would absolutely break down.”
Charles Darwin, The Origin of Species

The biggest problem for Darwinists is not the survival of the fittest, but the arrival of the fittest!

“I find this view antecedently unbelievable - a heroic triumph of ideological theory over common sense...I would be willing to say that the present right-thinking consensus will come to seem laughable in a generation or two...”

Thomas Nagel, Mind and Cosmos: Why the Materialist Neo-Darwinian Conception of Nature is Almost Certainly False

Codes have a Coder.
Programs have a Programmer.
Complexity has a Creator.

Psalm 139:13-14 *For you created my inmost being; you knit me together in my mother’s womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.*

Psalm 19:1-3 *The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they reveal knowledge.*

We are designed to declare how amazing God is!
