*In this week's final reading guide on Scary Faith, we will walk through Hebrews 11, commonly known as the "Faith Chapter."*

### **1. Faith is believing when I do not see it!**

**Read Hebrews 11: 1-3**

When it comes to trusting God, how do you develop "an assurance of things hoped for & conviction of things not seen"?

### **2. Faith is earnestly seeking God!**

**Read Hebrews 11:6**

What does it look like for you to draw near to God and to truly seek him? When was the last time you drew near to Him? Has it been too long?

### **3. Faith is obeying God when I don't understand!**

**Read Hebrews 11:7-12, 17-28**

Has God ever called you to do something that you did not understand or didn't feel ready for yet? Were you able to choose obedience anyway?

### **4. Faith is keeping your focus on eternal things!**

**Read Hebrews 11:13-16**

In what ways do you feel like a "stranger and exile on the earth?" Do you actively desire "the better country" of heaven?

### **5. Faith believes God will make a way when there seems to be no way!**

**Read Hebrews 11:29-31**

When did God open a door or provide a path in your life that seemed impossible until it happened?

### **6. Faith trusts God even if all his promises don't come to fulfillment on this side of heaven!**

**Read Hebrews 11:32-40**

Are you ok with the fact that some of God's Promises won't be completed until the other side of glory? What hope or comfort does it give you knowing that God's promises will ultimately be fulfilled?

### **7. Faith follows in the footsteps of all the faithful saints who have gone before us!**

**Read Hebrews 12:1-2**

Are you running with endurance (active faith) in the race set before you?
