# THE CHAPEL PATH

OUR DISCIPLESHIP JOURNEY

The goal of The Chapel Path is to help everyone grow in **spiritual maturity** and be equipped to **make disciples!**

*“Discipleship is that process (path) whereby we progressively learn what it means to bring every area of life under Christ’s Lordship.”*

Tony Evans

The New Testament often compares the Christian journey to running and completing a race. Read the following passages and make a list of observations of keys to running the race (progressing along the path):

- I Corinthians 9:24-26
- Philippians 3:8-15
- Hebrews 12:1-17
- 2 Timothy 4:7-8

One major warning to Christians concerns the problem of not growing up in our faith, and not progressing down the path toward maturity.

Read the following passages:

- I Corinthians 3:1-15
- Hebrews 5:11-6:2

How do these warnings against staying stuck in spiritual infancy speak about where you are at on your journey of faith?

God’s goal for our lives as believers is that we grow up into maturity in our character and our conduct. Read the following passages that describe the call and path to maturity:

- Acts 2:42-47
- Romans 6:1-14
- Romans 8:28-30
- Romans 12:1-2
- Galatians 5:16-26
- Ephesians 4:11-16
- Ephesians 4:17-32

What are several of the keys to spiritual growth that you observe in these passages that you need to embrace as in your spiritual journey?

The key questions that Pastor Brandon gave us Sunday as part of the Chapel Path:

## **BELIEVE - GROW - SERVE - CHANGE YOUR WORLD**

1. Where Am I At On The Path?
2. What Is My Next Step?

*Prayer: Lord, life is hard, the Christian life is hard. The path of growing up in Jesus sometimes feels confusing. Often it feels tempting to just settle where I’m at. But Jesus, you have more for me to live into on this path. A calling to become more like You! People, you want me to connect with more deeply and learn to love more completely. A world you want me to help reach with your Good News! So Jesus, right now I commit to taking the next step. Help me to see that next step clearly and give me the faith and courage to take it! Amen*
