Esther
Week 3 Study

Icebreaker

Google your name and share with others what it means. If you can't find a meaning, what do you think it means? Is there a story behind your name?

Passage 1

Esther Chapter 2

Reflection What's Esther's real name? What does it mean? (Someone can google it) What does "Esther" mean? Why is the name of a person important?

How important was the role of Mordecai in Esther's life? In what ways did God use Mordecai in Esther's progress in life? Who was/is a Mordecai in your life? Who is your Esther?

Why do you think Mordecai told Esther not to tell anyone where she was from? What does this tell us beyond the story about God's people at this time?

Why was it significant for Esther to ask Hagoi what she should bring to the King? What does that tell us about Esther and the favor that came upon her?

What characteristics stand out about Mordecai's character?
