In the Wilderness
Week 3 Study

Icebreaker

In the wilderness of life, have there been times you wanted to follow your own "compass direction" versus the one Jesus was pointing you towards? How did that work out for you?

Passage 1 Numbers 13:1-2 (NIV)

Reflection Why did the Lord tell Moses to pick one from each tribe and to make sure it was a leader?

Passage 2 Genesis 17:5-9 (NIV)

Reflection Are Gods promises to Abraham applicable to us as believers today?

Passage 3 Numbers 13:7-25 (NIV)

Reflection What was the purpose of Moses sending them out to check on those particular things?
How motivated would you be after roaming in the wilderness for so long and to now see the land that was promised to you carry such fruits?

Passage 4 Numbers 13:26-29 (NIV)

Reflection When they came back to report about the promise land they were sent out to see were they reporting from a standpoint of fear or faith? Why?

Passage 5 Numbers 13:30 | Numbers 14:6-9 (NIV)

Reflection What was Caleb and Joshuas stance on what they saw?
What perspective were they looking at it through, theirs or Gods?

Passage 4 Numbers 14:24 (NIV)

Reflection What did God do for Caleb? Why?

Application

Sometimes the process of a promise from God is not for us to see in our lifetime but they maybe for future generations to come. Have faith in Gods promises as Caleb and Joshua did so your decedents will inherit God's blessings as well.

Journal

Journal area for reflection and application.
