Jesus Changed My Life

I firmly believe it was the intercession prayers, my walk with the Lord and God's mercy that saved her life and started the transformation in her as well as in me.

As a consequence of these dark times, my husband also accepted Jesus and started his journey.

One year later, we three got baptized in the church. I am still praying for the total surrender and salvation of the rest of my loved ones especially my daughter Angelica.

One thing is clear, if you read the Word daily you will be transformed, if you put Jesus first he will add everything else you need and if you trust in Him you will be saved!

His Promises are true!

Mathew 7:7-8 says "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened."
