For the Lord is Good

What Is Faith and What is Fear?

- Faith (as defined by the Oxford dictionary)
 - 1: complete trust or confidence in someone or something
 - 2: strong belief in the doctrines of a religion, based on spiritual conviction rather than proof.
- Fear (as defined by the Oxford dictionary)
 - 1: (n) an unpleasant emotion caused by the belief that someone or something is dangerous, likely to cause pain, or a threat
 - 2: (v) be afraid of (someone or something) as likely to be dangerous, painful, or threatening.
