

Hiking Trails

The hiking trails at Crieff Hills Community are in the back part of the property. There are two primary trails – Orange & Red trails. Short cutover trails are marked in various colours. Trail hikes require a minimum of ½ hour. To cover a longer trail at a slow pace can exceed an hour.

Walking Paths

Walking paths are established for short, contemplative journeys without leaving the core area of Crieff Hills Community.

NOTE: Please make everyone in your group aware of what building(s) you will be using and where your registration will take place. Also identify what lane number to use.

Cross and Prayer Shelter Area

This area of Crieff Hills Community is designated as a silent area. Please respect the privacy of others in this quiet location.

CRIEFF HILLS RETREAT CENTRE

Welcome to Crieff Hills!

We are pleased to welcome you to our historic property and hope you enjoy your stay. Our mission is to offer rest and renewal and we trust you will enjoy the fresh air and quiet space. Here is some important information that will enhance your time with us:

- **We expect all guests to abide by public health guidelines.** Masks are required in all common spaces such as Maclean Hall and the office and social distancing is expected. We encourage you to spend as much time as possible outdoors and wash your hands often.
- **The internet password for all areas is 7094crieff.** Please note that in such a rural area, the internet can be inconsistent. Use whichever signal is strongest in your area. Its strength will vary at different times of the day and according to where you are on the property.
- **Emergency information** is on the outside of this envelope. Please make sure this is available just in case you need to use it.
- **The Common Room at The Pines** is no longer available except as a private rental. Public restrooms are available during office hours at Maclean Hall.
- **Please park in designated areas only** and be mindful of our no parking signs so that you do not intrude on other guests, block fire routes or damage our septic systems.
- **There is firewood provided** for the large fire pit near the conference buildings. Please do not leave any fire unattended and ensure it is completely extinguished when you are finished.
- **Upon departure**, please turn off all lights and lock the building door. Bring the building key back to the key return area in the foyer of Maclean Hall.

Please let our staff know if we can make your stay more comfortable. If you have an urgent need and the office is closed, please call 519-240-7953 to reach our after-hours staff.
