PRAYERS & PRAISE

- Please uphold the family of Glen & Jodi Lutjens, as Glen recovers from surgery on his prostate after finding early signs of prostate cancer. They don't believe he will have to do further treatment after surgery due to finding it very early. Praying his recovery goes smoothly and there will be no need for further treatments. Also, keep praying for them as Jodi's father, Lee Schemper, has chosen to stop treatment for his leukemia and will begin palliative care. Praying God's grace rests in their hearts and the peace of Jesus Christ is their strength!
- Please be in prayer for Diane Kempema as she is at Avera in Sioux Falls. Diane is experiencing weakness, headache, her blood pressure is high, and her blood work was not where it should be. They are doing testing in the search to find the reason to what is making her feel so bad. Please pray for answers and that she will start to feel better and be able to come home soon.
- Continue to keep the families of Sue Strubbe, Jason (Amy) Strubbe and Tonia (Jeremy) Van't Hul in your prayers as their sister-in-law and aunt, Vicki Olson passed away this week. We pray for peace and comfort for the entire family during this difficult time.
- Please uphold in prayer Tyler Van Voorst who is currently in the Sioux Falls hospital for a brain infection. Tyler has a long road ahead of him, filled with treatment and recovery. Please pray for Tyler's body to keep fighting hard and wisdom for the doctors. Please keep his wife, Jordan, in your prayers too as she juggles caring for their young family in the midst of this trial.
- We are requesting prayers for Howard Kooistra as he visited the Mayo Clinic this week. Howard has been losing strength in his legs and muscles and will be doing some testing to find some answers to why this is happening. Please pray for safe travels and answers for Howard and Vicky.
- Please continue to uphold Andy Boender in your prayers. Andy is battling a significant infection in the eye that was injured weeks earlier. Praying for answers to the infection and relief from the pain he is experiencing.
- Please keep Lyle DeZeeuw in your prayers as he recovers from having knee replacement surgery. Praying recovery goes smoothly, and healing is complete.
- Uphold Piper Elbers, daughter of Nate and Paige Elbers, in your prayers as she had hernia repair surgery. Please pray her recovery will go smoothly and swiftly!
- Keep Brenna (Dalton) Anema in your prayers as she mourns the loss of her dad, Jeff Benedict. May God provide peace and comfort for Brenna and her family.
- Please keep Mark Albrecht in your prayers as he recovers from surgery on his toe. May his recovery go smoothly, his pain be managed and may healing be swift.
- Please keep Greg Van Peursem in your prayers as he recovers from a motorcycle accident. Pray for smooth healing, continued pain management and that Greg will be able to get much needed rest.
- Please continue to be in prayer for the families of Nathan Schafer, Marcus & Cierra Overweg, Craig Davelaar, Reece Schulze, Dallas Rozeboom and Henry & Kathy Vande Vegte as their loved ones battle cancer. We pray that God will provide them peace and that their loved ones will feel the Lord's loving presence consistently through this long and difficult journey.
