Prayers

- Please uphold in prayer Lawson Michael Kjonegaard (great grandson of Dori (John) Wallenburg). Lawson was born with the umbilical cord around his neck and is experiencing some side effects. Praying God would allow Lawson to make a full recovery and for strength and perseverance for his family!
- Please keep Melany Duba in your prayers as she recovers from breast cancer removal surgery and reconstruction. We pray healing will go smoothly and that she and her family will feel the Lord's comfort and peace during this season.
- Please continue to keep in prayer Julie Beaven, daughter and sister of Harlin & Elaine Vermeer and Brent & Stephanie Vermeer, as she recovers from open-heart surgery in Colorado. She had some bleeding issues after surgery and they had to go back in to fix them. Pray that healing will now go smoothly for Julie and that they all will feel the Lord's comfort and peace.
- Please keep Brent Downs in your prayers, as he will be having spinal surgery May 19th at Mayo. Praying surgery goes smoothly and is successful.

Praises

- Thank you for the prayers for me this past week. My second angiogram showed that the previously placed stent is doing what it should, but a smaller blocked branch vessel may be causing some inflammation. Lyle had an ablation on May 7 and his atrial flutter was stopped and he is back in sinus rhythm. Join us in praying that this will lead to renewed energy. Thank you again for your prayers, visits and expressions of care. We are truly blessed by our Faith family. **Lyle & Helen De Zeeuw**
- We thank God for the good news concerning Craig Davelaar! Craig was involved in a serious work accident last week. He miraculously has no broken bones, but is experiencing some swelling. We are grateful to God for His protection, and we pray for patience and comfort for Craig, Sara and their family during his recovery.
- We give praise and are grateful for all the prayers for Koyer Rozeboom, son of Cody and Dana Rozeboom. He is back home and recovering well. Please continue to pray for smooth healing.

Ongoing Prayer Needs

- Continue to pray for patience and peace for Andy Boender as he recovers from eye surgery to aid in his healing.
- Uphold in prayer Millie Rozeboom as she recovers from a broken femur at Whispering Heights. Visitors are more than welcome as she heals.
- Uphold in prayer Lyle DeZeeuw who is recovering from his triple bypass surgery. Pray for Lyle to regain strength and energy during this long slow recovery.
- Please continue to be in prayer for the families of Nathan Schafer, Marcus & Cierra Overweg, Craig Davelaar, Reece Schulze, Dallas Rozeboom, Henry & Kathy Vande Vegte, and the family of Cody Rozeboom as their loved one's battle cancer. We pray God will provide them peace and that their loved ones will feel the Lord's loving presence consistently through this difficult journey.
- Prayerfully remember those serving our country: Kole Blankespoor, Kylie Blankespoor, Chris Huyser, Chris Kooima, Madison Cleveringa, and Danielle Van Kekerix.
