### QUESTIONS

Experiencing God: Align | November 13th, 2016 | Pastor Eric Daniel

1. What part of the sermon impacted you the most? Why?
2. Talk about what these statements mean to you:
  - a. "I cannot stay where I am and go with God"
  - b. "What I do reveals what I believe about God, regardless of what I say."
3. Read Hebrews 4:11. The Israelites were not allowed to enter into God's rest during the time of Moses and Joshua. Was it because of their disobedience, or was it because of their unbelieving hearts? (Hebrews 3:18-19, 4:3). Confusingly, the words believing and obeying are used interchangeably in Hebrews. Again in James 2:14-26, these words are joined together because if we are to Experience God, then we must allow what we believe about God to bring adjustments of obedience in our lives.  
What adjustments do you need to make right now in your life to make room to Experience God?

**Pray with each other before dismissing the group:**

"Dear Father God, I want my beliefs about You to align with my actions. I need help in these areas \_\_\_\_\_ .

I ask for deliverance and strength in these areas, in the precious name of Jesus. Amen."
