Prayer Focus:

Take some time this week to pray through the “blessed” statements in Matthew 5:3-12.

For example: “Lord, help me to be merciful. If I am too quick to want justice, teach me to desire mercy instead. Show me how to respond mercifully to people who have wronged me and show me how you have been merciful to me. Thank you for your mercy in my life.”

Next Steps:

Read through the entire Sermon on the Mount this week (Matthew 5-7). Write down what you are wanting to learn, receive, or experience from God in your life, during this series. At the end of this semester, we will encourage you to look over these lists and see how God has answered some of the things you wrote down.
