SMALL GROUP DISCUSSION QUESTIONS

1. Discuss as family or small group. How is God calling you to proclaim Christ to the World this year, and lead as many as possible to passionately follow Jesus? (Read Colossians 1: 27-29).

2. What "cross" or anything that you may need to give up to follow Him this year? In other words, what is God calling you to give up, to be his disciple? (Read Luke 14:27, 33, Romans 12:2, and Luke 6:40)

3. What are some steps you can take, to move toward living authentically life on life with others? Discuss as a small group, family? Or reflect as an individual and tell someone how you are being prompted and ask them to journey with you in accountability. (Read James 5:16, Proverbs 27,17)

4. Key points and passages to reflect on, discuss and act on as you are prompted by the Holy Spirit:

First directional reality: Christ-We are all about Jesus. ("To Lead as many as possible to passionately follow Jesus").

Second directional reality: Discipleship- Us being apprentices of Jesus. (A disciple is learning to live as Jesus would, if Jesus was living my life).

Third directional reality: Life on Life (LOL). (Is how discipleship happens best in LOL together.

What are our prerequisites to be a part of this? Just one requirement. We need to be Thirsty (Read John 7:37-38). Let us seek more, seek new life, in Him. It does not matter what, you have done, or how big a mess you think your life is. Or how unchristian you think you look, or even want to look. Jesus says to you, Come...
