1. How many of you accepted Jesus the first time you heard it?
2. If you didn't accept Jesus the first time, what made you hesitate?
3. Why do you think we get nervous planting the seed(salvation message)?
4. How powerful do you think the Holy Spirit is and how much do you think He your friend or family member that that doesn't know Jesus yet?
5. So, are we questioning the Holy Spirit and really convicting them or the Holy Spirit and help guiding us to talk to them?
6. Let us write a list of two people that we are going to try to witness to, and at least plant the seed. Let your small group leader know the two people so he or she can pray with you. don't forget that the prayer of a righteous person avail much.
