

# Colossians 3:15-17

Let Christ

Christ has given you real PEACE...let it RULE your heart, and don't forget to say THANK YOU. (:15)

**In what areas of your life might you be letting fear, anxiety or discontentment rule in place of the peace of Christ? How might that be affecting your peace with others? What would it take for you to bring those areas to the feet of Christ for His rule once more?**

Christ has given you genuine TRUTH...let it LIVE within you and us, and don't forget to say thank you. (:16)

**What evict ion notices might you need to serve on thoughts and ideas that are not in line with the word of Christ?**

Christ has given you the privilege of representing HIM to every person in your daily life...let every WORD and ACTION honor that privilege, and don't forget to say THANK YOU. (:17)

**In what area of your life might you not be representing Christ well? What might it look like to change that?**

Lord, thank You for the peace You've given us to rule in our hearts. While many things desire to use circumstances and emotions to own our hearts, we desire only Your rule and reign in our lives individually and collectively.

Lord, thank You for the truth of Your word. We desire that it be the primary guide by which we live and the welcome source of the correction that we need. May it be constantly in our mouths and on our lips.

Lord, thank You for the words and the deeds you have transformed us for and the honor that it is to represent Your thoughts and character to all who we know and care for. May we wear Your name proudly and well. Amen.
