

DAILY PLAN ~ DAY 18

- **Secrets of The Secret Place Chapter 18**
- **Daily Video**
- **30+ Minutes of Prayer & Scripture**
- **Read Mark 4:24, Psalm 119:6-16, Matthew 4:4**
- **Do you recall a time the Lord revealed or did something that had a profound impact on you in the moment? What, if anything, did you do to remember and return to it? In contrast, have you ever been strongly impacted by a sermon or God moment, then before long forgot or moved on as though it never happened?**
- **Consider a way to document or journal these words or encounters from God that will work best for you. Then consider how you might be intentional in revisiting what God has revealed, spoken or done.**

“Make your journal the place where you chronicle the spiritual truths that quicken your spirit while you’re in the secret place. ” - Bob Sorge
