

## SECRET PLACE FINALE

**Congratulations! You have faithfully read the book and, more than just reading, have made the Secret Place your own. THIS IS NOT THE END!**

**Now, the challenge is to continue live out what you've learned.**

**Here's what's next: Daily, 30+ minutes of prayer and scripture.**

- Pray and ask the Lord what He wants for your Secret Place now.
- Daily return to your Secret Place and guard it “violently”.
- Have an accountability partner to help encourage and challenge you in this area.
- Ask the Lord to give you assignments out of the Secret Place; then do it!
- Tell others what God has done through this book and in the Secret Place.

“They conquered him by the blood of the Lamb and by the word of their testimony” Rev 12:11

- **Assignment:** Set a short deadline ( $\leq 7$  days) to write out your testimony from this season.

**Please send your written testimony to Pastor Joe ([je@mymlc.org](mailto:je@mymlc.org)) and share with anyone the Lord leads you to share it with. Please also consider making a short testimony video!**

**There is a place where you take hold of God,  
but there is a better place where God takes hold of you. - Smith Wigglesworth**
