New Series starts April 12

Ruth: Courageous and Loyal Community

The book of Ruth is a story of the people of God in action, working out the reality of *hesed*—loyal love—among one another. In this new series, we will take a deeper look at our own communal code through the lens of Ruth's story.

From Ruth's lovingkindness toward her mother-in-law Naomi, to her willingness to leave everything and move among a new people, to Boaz and his willingness to enfold Ruth and Naomi into his life and take them under his protection, we see in living color the many ways God works abundant life into a community.

As His people live out *hesed* with one another before God, we begin to see what this kind of loyal love looks like in our own shared life together. Join us Sundays this Spring!
