Stories of Faith with Brianne Slaughter

This week on Bible Jazz we get to know a little more about Brianne. She is one of the young adults who made a public profession last Sunday with a reaffirmation of her baptism.

Brianne started her journey to know Jesus through youth group here at UPPC. A self-proclaimed Jesus girl, she found herself struggling during challenging times throughout high school and leaned into the temptations of wanting to be accepted.

Learn how saying YES to UPPC Crossroads led her to Alpha and to a life-changing encounter through prayer!

Will you share your Story of Faith? Learning to tell our stories can deepen our own faith while sharing it with others can create a stronger connection in community. Will you share your story with Pastor Mike Moffitt for an upcoming Bible Jazz podcast episode? Email Lisa Priestley with your YES! lpriestley@uppc.org
