Foundation Youth Ministry by Robin Fawcett

We are proud to announce Foundation's first ever talent show was a huge success! As it is with anything new, we didn't know how it would all come together, but it was inspiring to see so many students sign up to bravely share their talents.

Our Middle School students (grades 5-7) came dressed in their best formal attire. The evening was exciting, entertaining and showcased the amazing talents of some young performers. Students played instruments, performed magic tricks, and acted as stagehands. Any nerves fell away as the audience showed their support for each act with roaring applause and ovations. When a performance didn't go as planned, the crowd cheered even louder. Every student made it to the finish line feeling accomplished, successful and celebrated!

This was a special night for students and leaders alike. Those who didn't participate in the show felt the grace and acceptance to realize their own talents and plan to showcase them next year.

Through the love of Christ, we encourage and support every student who comes to Foundation as they approach different finish lines in life. When we step out in faith to try something new, God moves to encourage those around us. It takes courage to share your talents, and in this case, it also empowered others to do the same.
