## FUN Summer Lunches by Bob and Suzanne Freeborn

Volunteering with Families Unlimited Network's summer lunch program is so rewarding and it's fun! It is a ministry of happiness that offers the opportunity to work with fellow members of UPPC while serving our community as the hands and feet of Christ. It is also a great opportunity to invite others to serve alongside us.

We have many fun memories from past years. Once, we arrived at an apartment complex and with moms and kids waiting just for us. We have also hand delivered lunch bags to a family that wasn't able to meet us at the pick-up spot. We had one mom and child arrive just as we were packing up to leave, and they were so grateful we were still there and that there were still lunches available. A group of kids arrived on bikes one afternoon and took their lunches to a small table nearby to have a picnic. We have helped many kids figure out how to transport multiple lunches back home on their bikes or scooters. One needed six lunches! Fortunately, we had two shopping bags that he looped over his handle bars and away he went.

We have volunteered with this ministry for the last several years and are looking forward to serving again this summer. What a simple and joyful way to serve. Will you join us?
