

# WELCOME TO UPPC!

If this is your first visit, we are so glad you are here. In fact, we believe God brought you here today! Take a few minutes to read this bulletin to find out about some of the ministries going on at the church - getting involved is the best way to meet people and connect. We'd also love to have you stop by the Welcome Center (just outside the Sanctuary doors) after service. There is someone available to answer questions about the church as well as let you know more about ministries and opportunities available for you and your family.

We hope this morning is meaningful and rejuvenating for you!
