

# WE BELIEVE THE LORD BROUGHT YOU HERE!

Welcome to UPPC! We are so glad you are here, and we would love to meet you. Visit the Welcome Center near the front doors to learn more about the ministry of UPPC, our community and opportunities to connect.

We hope your time with us today creates a meaningful encounter with Jesus.

**Your front office team** is here to welcome you during the week, assist with current needs and ensure best communication within the UPPC community. Meet the first faces you'll encounter as you walk through our doors, ready to help and support. Get to know the team behind the scenes!

## **Julianne Bishop, Stewardship & Operations Support Coordinator -**

Julianne grew up at UPPC and is currently the friendly face that receives your offering. She also works closely with Operations and HR to keep things running smoothly. She helped establish The Wayside where you will still see her on Sundays. She also currently serves as Clerk of Session and is a Youth volunteer.

**Kaylee Fowler, Financial Administrator** - While most of Kaylee's time is spent crunching the numbers, you have likely seen her or talked with her over the phone. After six years of military life, her family made UPPC their home and Kaylee took on her current role here in 2019. Her compassionate spirit and helpful nature is a blessing to all.

**Emily Jacobsen, Front Office & Scheduling Coordinator** - Emily greets guests, streamlines office workflow and schedules building use. As the former UPPC MOPS Coordinator and mom of two elementary children, she is accustomed to managing chaos.

**Lisa Priestley, Marketing & Communications Coordinator** - Lisa helps create the voice of UPPC through all forms of media, both within the church and in the community. She oversees the flow of information for weekly emails, bulletins, the website and social media accounts. Lisa is also a member of the Worship Team!

**Ashli Veitch, Executive Assistant to the Pastors** - Ashli assists our pastoral team with behind-the-scenes tasks that contribute to their ability to serve you well. Her organizational skills, ability to multi-task and attention to all the details make her a true gift to the team.
