Back To School Supplies

Fill Backpacks For Students

In partnership with Families Unlimited Network (FUN), UPPC is working to provide 350 backpacks filled with school supplies for kids grades K-12. Supplies are purchased in bulk and distributed at FUN's Back to School Fair! The average cost per student for basic supplies is about \$70. Help us fill the backpacks of more students in our community this year! **Participate by making a monetary donation to the "Community Connection Fund" at UPPC.org/give.** Volunteers are also needed to help sort supplies and serve at the Back to School Fair. More info at UPPC.org/outreach.

Summer Baptisms

Sunday | August 18

We believe baptism symbolizes joining the Christian family and the act of immersion in water powerfully represents the washing away of old self, purity, renewal, and the emergence of a new life in Christ. If you're interested in learning more about baptism or having your children baptized, please reach out to arrange a meeting with one of our pastors.

All are invited to join us poolside for this meaningful experience at the home of the Hamiltons on Sunday, August 18th at 1pm. For more details about the event or to contact a pastor visit UPPC.org/events.

The Music & Arts Institute welcomes John Bangs!

John has over twenty-five years professional experience as a bass guitarist, acoustic guitarist, music director, and producer both in live performance and in the recording studio. In addition to bass guitar at all levels, John teaches beginner and intermediate acoustic guitar, and can teach a chordal and theory-based approach for those who want to learn to improvise from chords on the piano keyboard. To learn how you can study with John, email musicandarts@uppc.org.
