## The Rock - Junior High Ministry

by Robin Fawcett

The Rock All-Nighter Event is a classic! This year more than 30 Junior High students from our community, along with leaders and staff, gathered for a night of fun and no sleep. This event requires planning, preparation, and prayer. The biggest prayer over our time together was that each student would not only have fun, but also experience Jesus in a new way.

Students played basketball in the gym, laser tag in the Sanctuary, and games in the Youth Room. Church wide hide-and-go-seek, broom ball at Sprinker and a movie kept us up until 4am, but by morning everyone was beaming with joy. After breakfast, everyone packed up and left thankful for new experiences, memories, and friends.

I know we had fun, but did these kids experience God? I received feedback from parents saying, "My daughter had so much fun she wants to do something like this every week." And, "My son had so much fun he invited his older brother to check out the high school group to discuss the topics with him." I rejoice that God is moving in the lives of our youth through these fun encounters. God created us to know and enjoy community with Him. These students encountered the Holy Spirit, and we at UPPC are grateful to have been a part of it.
