DISCUSSION QUESTIONS

1. Read v.19. This contains an outline: “the things which you have seen” (ch.1), “the things which are” (ch. 2-3), “the things which will take place after this” (ch. 4-22). Which of these sections in Revelation are you most excited to study as a church?
2. John received the Revelation of Jesus while he was on the island of Patmos (v9). Why was he in Patmos? How does God use hardship to reveal Himself to us?
3. Read the description of Jesus in vv. 12-16. As you read that description, what words come to mind? How is this different from how you would normally picture Him?
4. Lampstands are not light, they simply display light. How are you convicted this week to shine the Light of Jesus in the darkness we live in today?
