DISCUSSION QUESTIONS

1. As you read the attributes of Jesus in Revelation 1:4-8, which of His attributes leaves you personally blessed and in awe of Him? Why?
2. What does the number 7 often signify in scripture? Revelation 5:6 shows Jesus as a lamb with 7 eyes and 7 horns, which are the 7 Spirits of God sent forth into all the earth. What does that mean?
3. Does the Bible teach that Jesus is simply a prophet? Is that what He claimed about Himself? How does he differ from the prophets of other world religions? (Muhammad, Gautama Buddha, Joseph Prince, etc.)
4. How should we as Christians use the return of the Lord and the Revelation of Jesus in sharing our faith?
