## MAIN POINTS, DEFINITIONS & APPLICATION

- **What God creates also carries creative power**
- **God commissioned the earth to create vegetation and land animals & the water to bring forth fish and birds. Those animals are subject to their source/environment.**
- **God created mankind with His own hands and creativity so that we would carry His image and likeness, dominion, authority, power, wisdom, character and creativity!**
- **God didn't use His creativity purely for recreational enjoyment - He solved problems with it! i.e. Order to the earth, Creation of the woman, Sending rain for the flood, water to wine, feeding of thousands, withered hand made new, sight to bling, hearing to deaf etc.**
- **As carriers of His likeness we cannot overlook the vitality of Kingdom Creativity as a solution to the worlds problems. If He did it then, He still wants to do it now. He needs our participation!!**
- **A hindrance to creativity is comfort that leads to complacency. It can cause us to become sluggish, passionless, lukewarm, unproductive & negligent to the good works He has prepared for us.**

## MAIN POINTS, DEFINITIONS & APPLICATION

- **HOW TO DISCOVER YOUR CREATIVITY:**

1. Consult w/ the C.E.O. - Chief Executive Ordainer - He knows the plans that He ordained for your life. The answers and direction you need can only be found in Him.
2. Believe that It's In You & MOVE! - Believe that YOU ARE CREATIVE! If HE is in you then so is creativity! Trust this simple truth and take steps to move forward. He'll reveal more as you go.
3. Frequently & ALWAYS revisit step 1! (Consult w/ the C.E.O.) - He will keep you on the straight and narrow and at peace in the process.

**REMEMBER:** Jesus calls you the salt of the earth and the light of the world. Its not for nothing. It's for the sake of effectiveness and impact. That can't manifest in the presence of complacency. We have to create!
