

# The Process...

## SCRIPTURES TO STUDY

- Who am I: 2 Cor 5:17 NLT, Gal 2:20 KJV, Colossians 3:1, 5, 8-10 ESV
- Process Participation: Philippians 2:13 NKJV, Isaiah 1:19 NKJV
- Self Awareness: 2 Cor 13:5 AMP
- Not Alone: Philippians 1:16 NKJV

## MAIN POINTS, DEFINITIONS & APPLICATION

**"I know who I am, but how do I respond when my actions indicate the opposite."**

- **WHO AM I?** A new creature. One with Christ.
- Our response to the shortcomings will reflect our belief in our righteousness.
- Do I respond in humility or self deprecation/victimization?
- Humility: ultimate trust in the Lord. Confidence under control. You're not concerned with your reputation or proving yourself as something. More concerned with others than yourself.
- Self Deprecation/Victimization: Belittling and minimizing yourself/your abilities. Rooted in doubt, insecurity, and unbelief. Make excuses vs. accept responsibility.
- GOD'S PROCESS REQUIRES OUR PARTICIPATION:

## 2 KEY PARTS OF THE PROCESS:

1. Desire
  2. Do
- It takes a balance of both. Having one without the other will lead to exhaustion, discouragement and ultimately feeling like a fraud or counterfeit.
  - Feeling counterfeit is not the same as actually BEING counterfeit. The difference maker is in your "doing."

**REMEMBER:** You're not doing this alone...God is working IN you & THROUGH you!
