MAIN POINTS, DEFINITIONS & APPLICATION

Look Unto Jesus (Selah Sunday)

Question 1:

How can I know God as “El Shaddai” (All Sufficient One) if I’ve consistently experienced hardship & lack?

Question 2:

What preparation steps can I take to ensure when I face a battle, I won’t retreat back to “Egypt”?

Question 3:

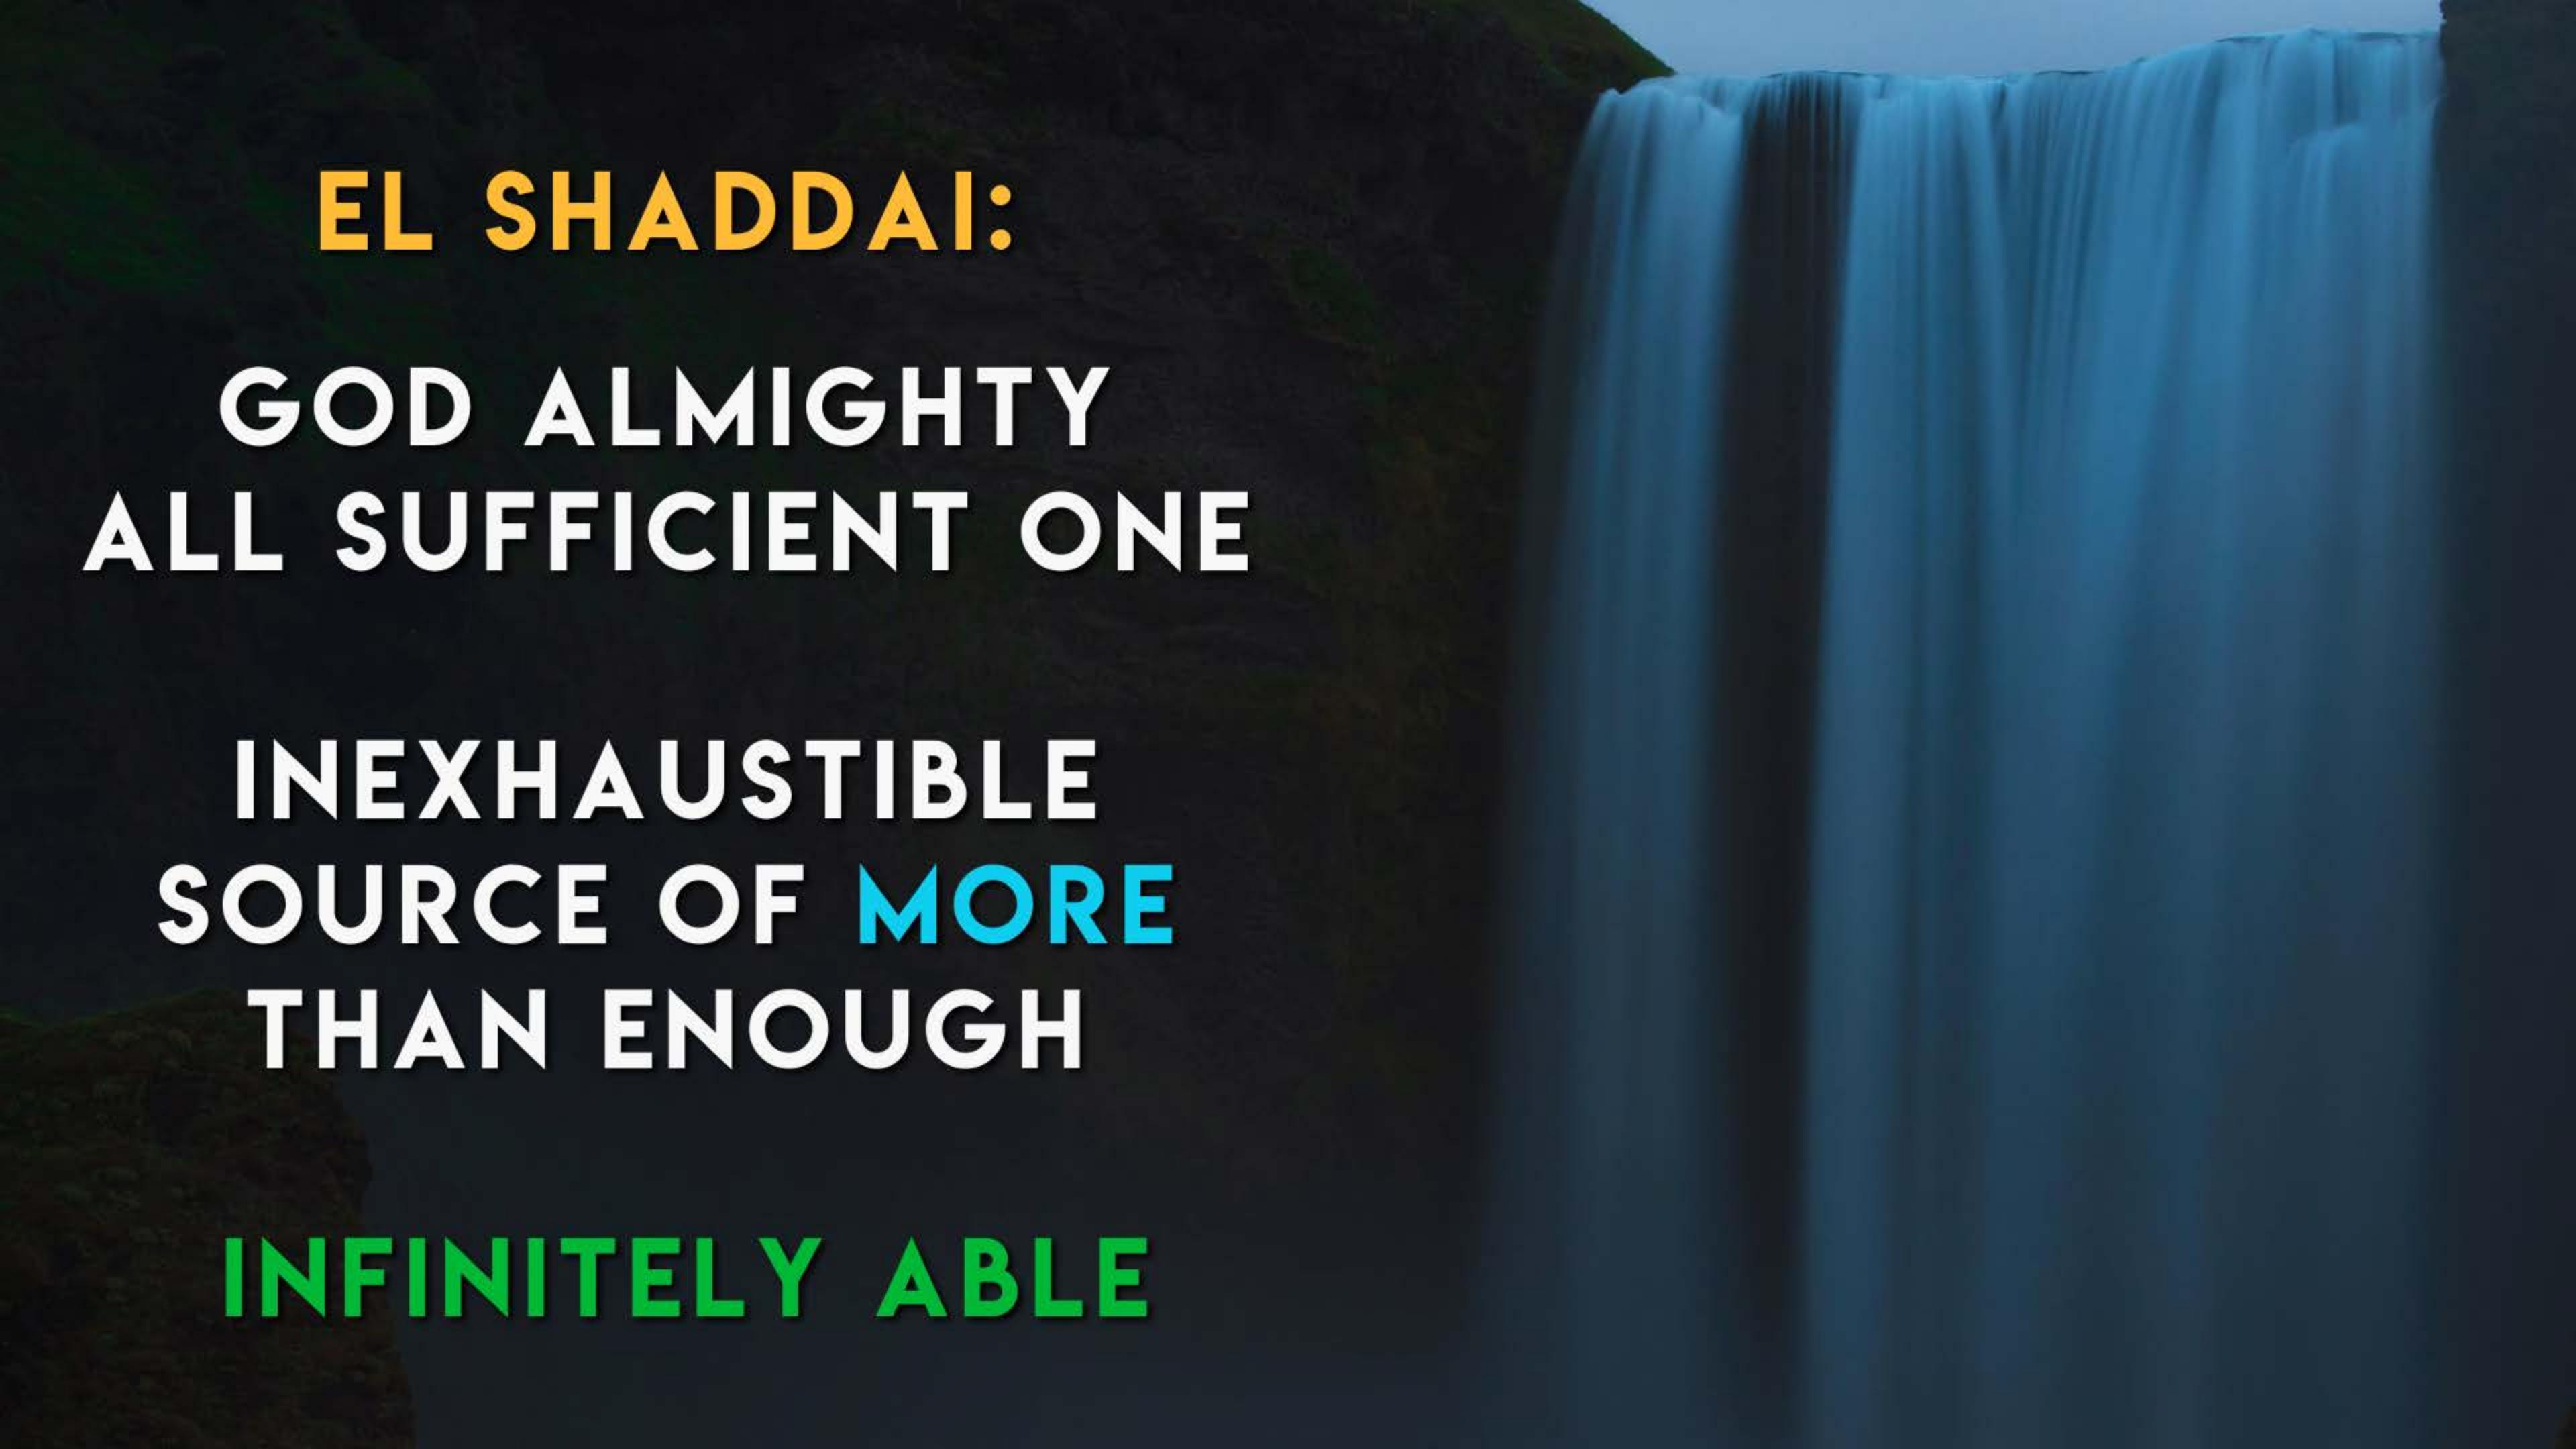

I’ve definitely felt His peace in my quiet time with Jesus, but how do I keep from being triggered when I carry on throughout my day?

Question 4:

When I have really strong feelings or opinions about something, how can I know if its a God conviction vs. cultural conditioning/self?

Question 5:

When very deep beliefs that I’ve held for a long time are challenged by the word, how do I embrace God’s truth and let them go?

A large, powerful waterfall cascades down a dark, rocky cliff face. The water is a deep, vibrant blue as it falls and then splashes into a large, dark pool at the bottom. The background is a dark, moody sky.
